Preferential Primary Election & Special Election Voter's Guide

Registration Deadline: Monday, April 23rd
Early Voting: Monday, May 7th – Monday, May 22nd
Primary Election: Tuesday, May 22, 2018

WHO WILL SPEAK UP FOR THOSE WHO HAVE NO VOICE?

The National Right to Life Committee and Arkansas Right to Life recently mailed questionnaires to candidates for Special Election or who face a primary opponent in the Preferential Primary Election.

This guide reports the responses of those candidates to selected questions from the questionnaire. Only the responses of those candidates are reported in the Arkansas Right to Life Preferential Primary Voter Guide.

Some candidates did not return our survey. For your convenience we have provided telephone numbers of those candidates so that you can get the answers you need to make an informed decision on Election Day, Tuesday, May 22, 2018.

FEDERAL PRIMARY ELECTION

Questions

- Do you advocate changing the *Roe v. Wade*, *Doe v. Bolton*, and *Casey v. Planned Parenthood* decisions, so that elected legislative bodies (the state legislatures and Congress) may once again protect unborn children by limiting and/or prohibiting abortion?
- Would you vote against any federal legislation that would place new limits on the ability of states to regulate abortion – for example, the so-called “Women’s Health Protection Act” (S.510, H.R. 1322 in the 115th Congress), sometimes referred to by critics as the “Abortion Without Limits Until Birth Act,” which is successor to the so-called “Freedom of Choice Act”?
- Would you vote for the Pain-Capable Unborn Child Protection Act, to strictly limit abortion from 20 weeks fetal age, the point in development that evidence currently suggests an unborn child has the capacity to feel pain?
- Would you vote for legislation, such as the Health Care Conscience Rights Act, to protect the conscience rights of pro-life health care providers and others, and advocate for vigorous enforcement of existing laws to protect conscience rights?
- Would you oppose the Federal legalization of assisting suicide through lethal prescription as under the Oregon law?
