## 2020 STATE CANDIDATES

### Questions

- Do you advocate changing the *Roe v. Wade* and *Doe v. Bolton* decisions and *Casey v. Planned Parenthood*, so that elected legislative bodies (the state legislatures and Congress) may once again protect unborn children by limiting and/or prohibiting abortion?
- Would you vote against any legislation that would weaken or repeal any existing pro-life law or policy?
- Would you vote against any proposed Equal Rights Amendment (ERA) if it does not contain an "abortion neutralization" amendment?
- Would you oppose allowing physicians to prescribe lethal drugs for patients who want to end their life?
- Would you support legislation that would prohibit governmental agencies from requiring pro-life groups and other non-profit groups to disclose to them the name, address, donation history or other identifiable personal information of their donors?
