Join the movement today by petitioning your city or county government to support Act 392 of 2021 signed by Gov. Asa Hutchinson that affirms the right of municipalities to declare themselves Pro-Life.

While these resolutions are non-binding it still makes a clear statement to all of the Pro-Life position of your municipality.

Arkansas Right to Life is delighted to be working with Family Council to promote Resolutions for Pro-Life Cities and Counties across our great state of Arkansas.

Family Council has developed an excellent resource toolkit for this purpose, which Arkansas Right to Life wholeheartedly endorses. Download the toolkit and petition at artl.org.

Please join Arkansas Right to Life and Family Council in promoting a Pro-Life City/County Resolution in your city or county using the toolkit, along with the enclosed sample petition. If you plan to do a petition please contact Arkansas Right to Life and we will assist you in customizing it with your city or county information.
