**Arkansas Right to Life Political Action Committee
Endorses Sarah Huckabee Sanders for Governor**

LITTLE ROCK – The Arkansas Right to Life Political Action Committee announced today its endorsement of Sarah Huckabee Sanders for Governor of Arkansas.

“We know Sarah Huckabee Sanders loves life and will do everything in her power as governor to keep Arkansas abortion-free and the most pro-life state in the union,” said Rose Mimms, executive director of Arkansas Right to Life.

“She believes in the sacredness of each and every human life: the unborn child, newborn, chronically disabled, sick, and aged. Under her leadership, all Arkansans will realize their intrinsic right to life and will be protected and defended against threats of abortion, infanticide, assisted suicide, and euthanasia,” Mimms added.

Sanders is among a number of pro-life candidates endorsed by the Arkansas Right to Life PAC in the upcoming 2022 General Election to be held on Nov. 8.

Arkansas Right to Life PAC has prepared a **2022 General Election Voter’s Guide** which will help members, friends, and the general public vote pro-life by knowing where the candidates stand on pro-life issues. The guide will be available at artl.org prior to the beginning of early voting in October.
