ARKANSAS RIGHT TO LIFE

Defending the Defenseless since 1974

ARKANSAS RIGHT TO LIFE

State affiliate of the National Right to Life Committee

ARKANSAS RIGHT TO LIFE (ARTL) is a non-profit public service organization. ARTL's primary purpose is to educate through the presentation of detailed and factual information about fetal development, abortion, alternatives to abortion, infanticide, euthanasia, and related issues, upon which individuals and the general public may make informed decisions.

ARTL supports a Human Life Amendment to the U.S. Constitution to make possible legal protection of all human beings and educated citizens to take constructive citizen action to protect the most basic human right - LIFE itself.

The legal protection of the right to life of innocent human beings is the basic issue upon which all other issues of human rights and justice depend. It is the pivotal human rights issue today, because once we abandon the basic democratic principle of equality – that ALL human beings deserve the protection of the law no matter what their size, their age or their degree of dependency – then the rights of all of us are less secure.

Although the current controversy concerning the right to life focuses on the unborn, decisions that society makes regarding abortion will have grave implications for the future – influencing society's acceptance of infanticide, euthanasia and other related bioethical issues.

ARTL believes that society's duty to those women whose pregnancies are complicated by medical, psychological, social or economic factors is to protect both mother and child by treating the complication and not by destroying the child. Therefore, we are working for alternatives to abortion and humane solutions to the problems of women who seek abortion.

ARTL recognizes that there are complex problems in caring for handicapped newborns and persons who are aged and infirmed, but we believe that problems must be solved with respect for the lives, individual rights and dignity of all human beings, especially those too young, too old or too physically ill or handicapped to defend themselves.

Members of ARTL are active in the pro-life movement within Arkansas. We come from many different social, economic, racial, religious, age and political backgrounds, and we are bound together by a common dedication to protecting all human life. Our cause is to foster and protect society's traditional respect for life by supporting the civil and human rights of the unborn, the defenseless, the aged, the disadvantaged, and all human life.

Jane B. Thompson

Statement of Purpose

The National Right to Life Jane B. Thompson Oratory Contest strives to promote the ability of high school juniors and seniors to share their pro-life views with others. Although speaking ability is important, this contest also seeks to help teens organize and express their pro-life views. We also strive to give the contestants an opportunity to meet other pro-life teens.

Contest Requirements

Students must research and write an original 5-7 minute speech to be presented as an oration on one of the following topics:

- Abortion
- Infanticide
- Euthanasia

Prizes

- State Winner receives trip to compete in the National Right to Life Oratory Contest.
- National Winners win cash awards for 1st, 2nd, 3rd and 4th place.

The National Right to Life Jane B. Thompson Oratory Contest is held each year in conjunction with the National Right to Life Convention. High school juniors and seniors write and present original pro-life speeches. Contests are sponsored by many state right to life groups, and the winners of the state contests compete at the national level.

**Deadline to enter Arkansas contest
February 15th each year.**

CROSSES FOR LIFE MEMORIAL EDUCATIONAL OUTREACH

The **Crosses for Life Memorial** is a traveling display of approximately 3,000 small white crosses to represent the deaths of unborn children killed by legal abortion every day in America and to bring awareness to this tragic loss of human life.

- The Crosses for Life trailer will be transported to your location with a complete layout diagram and materials along with the instructions on the packing and loading of the crosses and a sample Press Release to raise community awareness.
- Arkansas Right to Life schedules the display throughout Arkansas during the months of **March through November**.
- The display can be hosted by churches, Right to Life groups and others ministries that help to promote the sanctity of human life and educate the general public on the toll that legal abortion has taken on our nation since the legalization of abortion in 1973.
- A fee of \$250 is required for use of the display and is used to cover expenses to maintain the display, replace wooden crosses with plastic and transportation costs. A deposit of \$100 is paid on delivery of the trailer but is returned if the trailer and contents are returned in good order.
- Each hosting group is asked to issue a press release and to plan an ecumenical Dedication Service upon the completion of the set up or on the next day and invite area churches.

We pray that the **Crosses for Life Memorial** outreach will be a blessing to every community and a reminder that abortion kills unborn children so that America will end the slaughter of the innocents.

For more information about the Crosses for Life outreach or to schedule the display in your area contact Arkansas Right to Life at 501-663-4237 or artl@artl.org or visit www.artl.org.

“Mary Rose Doe”

April 28, 1983

“A perfect little bud – clipped before she blossomed.”

In memory of those lives lost through abortion.

On April 28, 1983, a baby girl was found, legally aborted, and tossed into a drainage ditch in Little Rock. She weighed 5 pounds, was 7 months in gestation, 16 inches long, had a full head of auburn hair, brown eyes, and ivory skin. Given a Christian burial by North Pulaski Right to Life, Chapter of Arkansas Right to Life, Mary Rose has touched our hearts, and none of us will ever forget her.

In 1985, the first “Mary Rose Doe” award was presented to journalist Mike Masterson, who followed her death and burial, and helped, through his recognition of her as a person, to grant her the “personhood” that the United States Supreme Court denied her and countless other abortion victims through their 1973 *Roe vs. Wade* decision.

Arkansas Right to Life gives the Mary Rose Doe Award to honor those who have “gone that extra mile” in their work and efforts on behalf of unborn children. It is a small way of the Right to Life movement telling Mary that we love her and that we will always remember her, and that her brief little life was not in vain.

POST ABORTION RECOVERY

PROJECT RACHEL

Project Rachel offers confidential healing and reconciliation opportunities for anyone wounded by abortion, counseling, and support in individual or group settings, in person or virtually, in English and in Spanish. Project Rachel is a ministry of the Diocese of Little Rock, Respect Life Office. Call or text the confidential line 501-663-0096 or visit www.hopeafterabortion.org for more information.

DEEPER STILL

Do you have an abortion wounded heart? Find healing and lasting freedom. You don't have to go through life with an abortion-wounded heart. We can help! For retreat dates, visit www.GoDeeperStill.org and click retreat dates or call 865-524-3313 for more information about this ministry call 501-944-7142.

SAVEONE

SaveOne offers help for men, women, and family members/friends, through group study, online study, or answering questions and giving encouragement through self-study. We have a Bible based curriculum that was written by our founder Sheila Harper. Sheila chose abortion in 1985 for her first child and lived with mental and emotional anguish for 7 years following that choice. E-mail info@saveone.org or 615-636-2654 to find a chapter near you. Visit www.saveone.org for more information.

INTERNATIONAL HELPLINE FOR ABORTION RECOVERY

Our mission is to help callers find healing after abortion by listening, assessing their needs, mailing resources, making referrals to local help centers, and providing follow-up as needed. Call 24/7 for immediate help 1-866-482-LIFE -- www.internationalhelpline.org

Pro-Life Scorecard 2023-2024

Compiled by National Right to Life Committee

U.S. House of Representatives 118th Congress, Combined Sessions

Source: nrlc.org click on Legislation and Congressional Scorecards 1997-present

1. H.R. 26 Born-Alive Abortion Survivors Protection Act

The Born-Alive Abortion Survivors Protection Act (H.R. 26), sponsored by Congresswoman Ann Wagner (R-Mo.), would enact an explicit requirement that a baby born alive during an abortion must be afforded “the same degree” of care that would apply “to any other child born alive at the same gestational age,” including transportation to a hospital. The bill also empowers women with a right to sue their abortionists and others for harm caused by violations of the act.

2. H.Con. Res. 3 Resolution condemning attacks on pro-life facilities, groups, and churches

The Biden Administration has systematically failed to respond to numerous attacks on pregnancy care centers, pro-life groups, and churches that occurred in reaction to the Dobbs v. Jackson Supreme Court decision. There have been more than 100 documented incidents in the time after the leaked Dobbs decision until today. The resolution condemns “recent attacks of vandalism, violence, and destruction against pro-life facilities, groups, and churches,” and calls on the Biden Administration to use its authority to protect the rights of such organizations. In addition, the resolution “recognizes the sanctity of life and the important role pro-life facilities, groups, and churches play in supporting pregnant women, infants, and families.” This resolution recognizes that pregnancy care centers, pro-life groups, and churches should continue to be able to serve the needs of women in their communities without fear of violence.

Family Council has developed an
excellent resource toolkit for this
purpose, which Arkansas Right
to Life wholeheartedly endorses.
Download the toolkit and petition
at artl.org.

Please join Arkansas Right to Life
and Family Council in promoting
a Pro-Life City/County Resolution
in your city or county using the
toolkit, along with the enclosed
sample petition. If you plan to do
a petition please contact Arkansas
Right to Life and we will assist
you in customizing it with details
about your city or county. For

Far too often we hear disturbing reports of newborn babies abandoned in dumpsters, toilets, trashbags, in the woods or in other unsafe places. *This doesn't have to happen!* Under the Safe Haven Law newborns can be surrendered at safe locations with no questions asked. Your donation to the Arkansas Safe Haven billboard campaign can literally save a baby from death resulting from unlawful abandonment.

YOU CAN MAKE A DIFFERENCE TODAY!

Organizations or individuals wishing to support the Safe Haven Baby Box billboard campaign may visit artl.org/donate or mail a tax-deductible gift to Arkansas Right to Life Educational Trust Fund (note Billboard Campaign in check or online), Box 1697, Little Rock, AR 72203-1697. **For more information or questions about the campaign call (501) 663-4237 or email artl@artl.org.**

ARKANSAS CONSTITUTION

AMENDMENT 68.

Sec. 1. Public funding.

ABORTION.

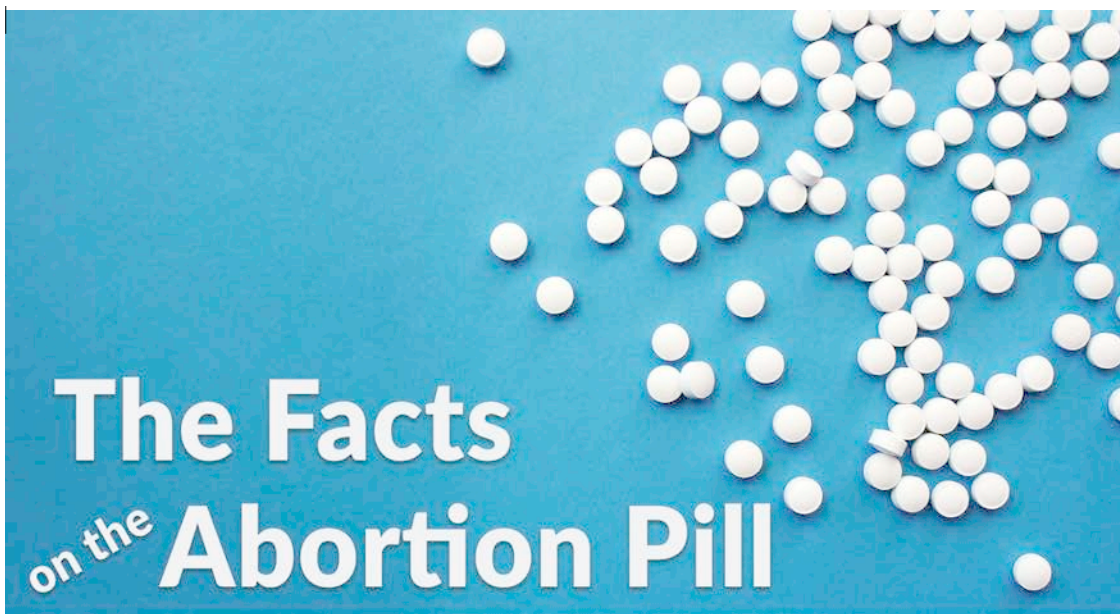

No public funds will be used to pay for any abortion, except to save the mother's life.

Sec. 2. Public policy.

The policy of Arkansas is to protect the life of every unborn child from conception until birth, to the extent permitted by the Federal Constitution.

Sec. 3. Effect of amendment.

This amendment will not affect contraceptives or require an appropriation of public funds

Is it really “safer than Tylenol?”

Clearly not for the babies.

And their mothers face many serious risks, too.

Studies tracking visits of chemical abortion patients to emergency rooms find complication and failure rates much higher than is commonly reported. Women taking the abortion pills have actually perished from **dangerous infections**, **uncontrolled hemorrhages**, and from **ruptured ectopic pregnancies** that doctors missed because of the pain and bleeding they expected from chemical abortions.

How does the abortion pill work?

Chemical abortion is a multi-step process that involves two drugs. **Mifepristone** blocks progesterone’s effects, which prevents nutrients from being provided to the baby. **Misoprostol** is taken a day or so later to expel the baby from the woman’s body and complete the abortion.

Can it really be reversed?

As soon as possible after taking the first drug, Mifepristone, a woman can possibly reverse the intended effects before taking the second drug.

The Abortion Pill Reversal (APR) hotline has received calls from thousands of women who have changed their minds after taking the first drug.

APR is scientific with a proven tracked record: using the natural hormone progesterone, medical professionals have been able to save 64-68% of babies through the reversal process when their mothers acted quickly enough.

The Numbers on the Abortion Pill

53%

More than half of all abortions are now chemical abortions.

10%

One large Canadian study showed that 10.26% of women taking the abortion pill ended up visiting the emergency room.
Thousands of women have been injured.

28

At least 28 women have **died** after using abortion pills.

10

Current FDA regulations allow babies up to 10 weeks LMP to be killed with the abortion pill—the *age of the baby pictured here.*

4,000+

Over 4,000 babies have been saved by the abortion pill reversal protocol.
