**BALLOT MEASURE TO MAKE ABORTION LEGAL THROUGH
ALL NINE MONTHS OF PREGNANCY IN ARKANSAS**

LITTLE ROCK – A ballot title by the so-called Arkansans for Limited Government seeks to allow abortion on demand in Arkansas ending the protection of mothers and their unborn children that has been in place since the June 2022 *Dobbs* decision when the U. S. Supreme Court overturned *Roe v. Wade* ruling that the federal constitution did not guarantee a right to legal abortion.

“The broadly written language is so extreme that even pro-choice voters will see it goes too far. It clearly allows abortions up to the moment of birth and mandates that even the most basic limits on the profit-driven abortion industry are removed. The proposed constitutional amendment is not about limited government, it's about forcing no limit abortion on the people of Arkansas,” said Rose Mimms, executive director.
