

Stand Against the Radical Arkansas Abortion Amendment!

Join the
DECLINE TO SIGN Campaign

Arkansas Right to Life is currently engaged in the toughest battle yet for the lives of our unborn children in Arkansas. In November a group calling themselves “For AR People,” ironic in itself, formed a ballot question committee, “Arkansans for Limited Government,” to place an amendment on the 2024 ballot to address abortion.

Arkansas Right to Life isn’t waiting for approval of the ballot title to announce our Decline to Sign Campaign to ask all Arkansans unwilling to sign a death warrant on innocent unborn children to POLITELY Decline to Sign when approached. Once the ballot title is approved paid canvassers will hit the streets of Arkansas.

The Arkansas Abortion Amendment would enshrine abortion in Arkansas’ Constitution and gut Amendment 68 which says it’s the policy of the state of Arkansas to protect unborn babies from conception until birth.

Know the Facts about the Radical AR Abortion Amendment!

The Arkansas Abortion Amendment would create an unfettered right to abortion up until the moment of birth.

If adopted the proposed measure could render all current laws protecting the unborn, protecting parental rights, and protecting the pregnant mother null and void.

If this ballot measure is adopted it could make it impossible and illegal to pass any common-sense protections for the unborn child or her mother in the future.

At 18 weeks gestation, the unborn child has met many milestones of development and is capable of feeling pain.

Amending our state constitution is not only expensive but unnecessary! Do we want to say in our constitution that it's OKAY and preferable to kill unborn babies than protect them until birth?

It is not in the best interest of women, children, families, and our state to pass the Arkansas Abortion Amendment.

NOW IS THE TIME FOR ACTION!

All Arkansans who want to protect unborn babies and their mothers must take a stand and join us in this fight for their lives. Together, we can and will make a difference! Decide today to do something and then do it.
