

# Stand Against the Radical Arkansas Abortion Amendment!

Join the  
**DECLINE TO SIGN Campaign**

Arkansas Right to Life is currently engaged in the toughest battle yet for the lives of our unborn children in Arkansas. In November a group calling themselves “For AR People,” formed a ballot question committee, “Arkansans for Limited Government,” to place an amendment on the 2024 ballot to legalize abortion.

In late December Arkansas Right to Life announced our Decline to Sign Campaign to ask all Arkansans unwilling to sign a death warrant on innocent unborn children to **POLITELY** Decline to Sign when approached. Canvassers are actively circulating the Arkansas Abortion Amendment across the state. They must have 90,704 registered voter signatures by July 5 to qualify for the November ballot.

The Arkansas Abortion Amendment would forever institutionalize abortion in the Arkansas’ Constitution and gut Amendment 68 which says it’s the policy of the state of Arkansas to protect unborn babies from conception until birth.

# Know the Facts about the Radical AR Abortion Amendment!

The Arkansas Abortion Amendment would enshrine limitless abortion up until the moment of birth.

If adopted, the proposed measure would render many current laws protecting the unborn, protecting parental rights, and protecting the pregnant mother null and void.

If this ballot measure is adopted it would make it impossible and illegal to pass any common-sense protections for the unborn child or her mother in the future.

At 5 months (18 weeks) gestation, the unborn child has met many milestones of development and is capable of feeling pain.

Amending our state constitution is not only expensive but dangerous!

It is not in the best interest of women, children, families, and the future of our state to pass the Arkansas Abortion Amendment.

## NOW IS THE TIME FOR ACTION!

All Arkansans who want to protect unborn babies and their mothers must take a stand and join us in this fight for their lives. Together, we can and will make a difference! Decide today to do something and then do it.
