

# Decline to Sign church announcement (examples)

## Announcement (Catholic)

A petition is currently being circulated in Arkansas to place an amendment on our November 2024 voting ballots that would enshrine the right to abortion in our state constitution to allow abortions until 5 months of pregnancy. Bishop Anthony Taylor urges all Catholics in Arkansas to not sign this petition. I also encourage all people of good will to not sign this petition. In addition to allowing abortion for any reason up to 5 months in pregnancy, it would also negate any pro-life laws currently in Arkansas. This includes the law requiring parental consent for an abortion. This means that if passed, minors would be able to get an abortion without their parent's permission. This is an extreme abortion amendment and should be opposed at every opportunity. **Decline to Sign** the petition and help save lives in Arkansas!
