

ABORTION PRAY AWAY CAMPAIGN!

The Arkansas Abortion Amendment

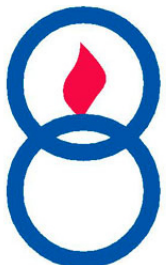

is a proposed Arkansas constitutional amendment that allows abortion without restriction for the first five months of pregnancy and permits it up to birth if there may be risks to a woman's life or health or in cases of rape, incest, or a possibly-fatal fetal anomaly.

It would enshrine abortion into the Arkansas constitution and paves the way for tax-payer-funded abortion.

WHAT'S WRONG WITH THE ABORTION AMENDMENT?

- **More extreme than Roe v. Wade.**
- It opens the door to free abortions at taxpayer expense.
- It automatically nullifies all laws and constitutional amendments that conflict with it.
- It's a law our elected officials won't ever be allowed to fix or change.
