# ARKANSAS RIGHT TO LIFE

State affiliate of the National Right to Life Committee

ARKANSAS RIGHT TO LIFE (ARTL) is a non-profit public service organization. ARTL's primary purpose is to educate through the presentation of detailed and factual information about fetal development, abortion, alternatives to abortion, infanticide, euthanasia, and related issues, upon which individuals and the general public may make informed decisions.

ARTL supports a Human Life Amendment to the U.S. Constitution to make possible legal protection of all human beings and educated citizens to take constructive citizen action to protect the most basic human right - LIFE itself.

The legal protection of the right to life of innocent human beings is the basic issue upon which all other issues of human rights and justice depend. It is the pivotal human rights issue today, because once we abandon the basic democratic principle of equality – that ALL human beings deserve the protection of the law no matter what their size, their age or their degree of dependency – then the rights of all of us are less secure.

Although the current controversy concerning the right to life focuses on the unborn, decisions that society makes regarding abortion will have grave implications for the future – influencing society's acceptance of infanticide, euthanasia and other related bioethical issues.

ARTL believes that society's duty to those women whose pregnancies are complicated by medical, psychological, social or economic factors is to protect both mother and child by treating the complication and not by destroying the child. Therefore, we are working for alternatives to abortion and humane solutions to the problems of women who seek abortion.

ARTL recognizes that there are complex problems in caring for handicapped newborns and persons who are aged and infirmed, but we believe that problems must be solved with respect for the lives, individual rights and dignity of all human beings, especially those too young, too old or too physically ill or handicapped to defend themselves.

Members of ARTL are active in the pro-life movement within Arkansas. We come from many different social, economic, racial, religious, age and political backgrounds, and we are bound together by a common dedication to protecting all human life. Our cause is to foster and protect society's traditional respect for life by supporting the civil and human rights of the unborn, the defenseless, the aged, the disadvantaged, and all human life.

### ORATORY CONTEST

#### Statement of Purpose

*The National Right to Life Jane B. Thompson Oratory Contest strives to promote the ability of high school juniors and seniors to share their pro-life views with others. Although speaking ability is important, this contest also seeks to help teens organize and express their pro-life views. We also strive to give the contestants an opportunity to meet other pro-life teens.*

#### Contest Requirements

Students must research and write an original 5-7 minute speech to be presented as an oration on one of the following topics:

**Abortion • Infanticide • Euthanasia**

#### Prizes

- State Winner receives a trip to compete in the National Right to Life Oratory Contest.
- National Winners win cash awards for 1st, 2nd, 3rd and 4th place.

The National Right to Life Jane B. Thompson Oratory Contest is held each year in conjunction with the National Right to Life Convention. High school juniors and seniors write and present original pro-life speeches. Contests are sponsored by many state right to life groups, and the winners of the state contests compete at the national level.

**Deadline to enter Arkansas contest February 15th each year.**

# CROSSES FOR LIFE MEMORIAL EDUCATIONAL OUTREACH

The **Crosses for Life Memorial** is a traveling display of about 3,000 small white crosses to represent the deaths of unborn children killed by legal abortion every day in the United States and to bring awareness to this tragic loss of human life.

- The Crosses for Life trailer will be transported to your location with a complete layout diagram and materials, along with the instructions on the packing and loading of the crosses, and a sample Press Release to raise community awareness.
- Arkansas Right to Life schedules the display throughout Arkansas during **March through November**.
- The display can be hosted by churches, Right to Life groups, and other ministries that help to promote the sanctity of human life and educate the general public on the toll that legal abortion has taken on our nation since the legalization of abortion in 1973.
- A fee of \$250 is required for the use of the display and is used to cover expenses to maintain the display, replace wooden crosses with plastic, and related transportation costs. A deposit of \$100 is paid on delivery of the trailer but is refunded if the trailer and contents are returned in good order.
- Each hosting group is asked to issue a press release and to plan an ecumenical Dedication Service upon the completion of the setup or on the next day and invite area churches.

We pray that the **Crosses for Life Memorial** outreach will be a blessing to every community and a reminder that abortion kills unborn children so that America will end the slaughter of the innocents. For more information about the Crosses for Life outreach or to schedule the display in your area contact Arkansas Right to Life at 501-663-4237 or [artl@artl.org](mailto:artl@artl.org) or visit [www.artl.org](http://www.artl.org).

# **“Mary Rose Doe”**

**April 28, 1983**

**“A perfect little bud – clipped before she blossomed.”**

**In memory of those lives lost through abortion.**

On April 28, 1983, a baby girl was found, legally aborted, and tossed into a drainage ditch in Little Rock. She weighed 5 pounds, was 7 months in gestation, 16 inches long, had a full head of auburn hair, brown eyes, and ivory skin. Given a Christian burial by North Pulaski Right to Life, Chapter of Arkansas Right to Life, Mary Rose has touched our hearts, and none of us will ever forget her.

In 1985, the first “Mary Rose Doe” award was presented to journalist Mike Masterson, who followed her death and burial, and helped, through his recognition of her as a person, to grant her the “personhood” that the United States Supreme Court denied her and countless other abortion victims through their 1973 *Roe vs. Wade* decision.

Arkansas Right to Life gives the Mary Rose Doe Award to honor those who have “gone that extra mile” in their work and efforts on behalf of unborn children. It is a small way of the Right to Life movement telling Mary that we love her and that we will always remember her, and that her brief little life was not in vain.

## Wayne Mays

Wayne is recognized for “going the extra mile” as he has served over thirty years on the Board of Directors of Arkansas Right to Life, fourteen as the President. He worked for the passage of many life-saving Federal and State laws, helped launch the Choose Life license plate, and witnessed the overturn of *Roe v. Wade*. He has rejoiced with ARTL Staff, Board members, and fellow pro-life citizens as Arkansas has been named the most pro-life State for five years in a row.

Congratulations from his wife, Barbara, their children, grandchildren, and great-grandchildren.

*We are so proud of you!*
